1. I am eligible to use the Internet terminals as long as I remain in good standing with the Library. I will present a valid C/W MARS library card each time I wish to use the Internet terminals. *I assume full responsibility for any damage to Library equipment, until I log off.*
2. I understand that the Library staff can answer only basic questions about the Internet. The Library offers many books on the subject, as well as basic Internet training classes.
3. I will only download any desired information to my own diskettes or to diskettes purchased from the Reference Desk at the Library. *I understand that I am not allowed to save anything on the hard drive.*
4. I will not use the Internet terminals for unacceptable, unethical, or illegal purposes. (For further clarification, see the "Shrewsbury Public Library Policy on Public Use of the Internet," available at the Circulation Desk, or on our website: <http://www.shrewsbury-ma.gov/library/>)
5. Accessing of chat rooms on the Internet is not allowed at the Library.
6. I understand that the Shrewsbury Public Library provides *only an access* to the Internet, and cannot control and does not monitor any information on the Internet for either content or accuracy.
